Meeting called to order by Jerry Emoto, chairman.

General Items

The credit card machine has been received for use at the auction.

SAN Event Items

Wrist bands have been ordered to be put on students at SAN registration.

A sketch artist, Denzel Milan (spl?), contacted the committee regarding possibly working at the SAN event. He would do a 14”x17” character sketch of up to 6 kids. It takes 3 minutes per drawing. His charge would be \$400 to \$500 or \$10/person.

Will wait to decide on this until after auction funds are in and the budget can be evaluated.

Buying Committee:

Brian presented list of suggested gifts and gift cards. Their goal is to have 50% of the \$25 and \$50 gifts purchased in the next four weeks.

Theme Logo Design:

Ryan did not have the design completed for tonight but plans to have it finalized by the auction meeting 3/9/11.

Ticket Sales:

Only 3 tickets have been purchased since Christmas break.

We now have mailing labels of all seniors. Plan to work on mailing to all seniors that have not yet purchased a ticket.

It was suggested that a display window be set up to promote the SAN event. Connie and Dan Johnson will work on this.

Jerry will talk to Steve Fiske about sending out an auto call message to all seniors.

Event Activities:

A third draft of the SAN activities was reviewed. It lists possible locations for each event, number of volunteers needed, and team lead.

The Espresso stand was combined with the Italian soda stand. All activities now have a team lead. There is a team lead checklist available to help with organizing and planning each activity. If you are a team lead and were not at this meeting please contact Jerry for this information.

We now need volunteers to sign up to help for the various activities. Most areas have 3 shifts available to work.

At the next meeting it will need to be decided if the Big Gifts Raffle will be held in the auditorium after the hypnotist or in the cafeteria while the students are having ‘breakfast’.

Fund Raising Activities:

GU Concessions:

GU concessions are almost done for the year. There are three games left for the NCAA women's tournament. The games are: 3/19 at 1 and 3:30 and 3/21 at 6. It was requested that the people working on 3/19 work both games if possible as the transition will be tight and uniforms will be in short supply for the second game.

Thank you, Mark and your family for all of the hard work on this.

Auction:

The auction committee needs the names of everyone attending the auction. The ticket is meant to be a reminder and is not a ticket for admission. As people arrive at the auction they will be checked in and given bid numbers. Please get everyone's name to Linda Emoto ASAP.

Set-up will be done at 10 a.m. and volunteers are needed to help with this.
The room will be open Sat from 2-4:30 for hosts to decorate tables.

Auction items are still coming in. Please get them to the Lukens ASAP.

Some of the larger value items include: 2 nights at cabin in Sandpoint, Home Improvement package, and Prom package as well as many more.

Gatorade:

Chantel organized several student groups to participate in a Gatorade fund raiser at Albertson's on Indian Trail. Albertson's received national recognition for this event.
